**Intermediate - Advanced
Small Group Coaching**

This small group coaching session is for Junior riders aged 9-16 years with a minimum of 2 years racing experience.

Qualified coaches will encourage riders to move out of their comfort zone and extend their abilities beyond what they would normally encounter at an offroad event. Combined with the information sessions it will help them improve their results and prepare them for a successful future as an offroad champion.

Numbers will be strictly limited to ensure the riders get the most out of the day.
