

2020 General Event Entry Information

Specific details for each event can be found on the club website. Click onto the Event Details to find out what to expect, what to bring, and where to come. Below are the details you will need to complete your entry and have a smooth registration on the day.

The most important paperwork to bring on the day are:

- Your 2020 ORCWA membership card (or a printed copy of your receipt);
- Your MA Licence card OR a printed copy of your one-event licence;
- Your Logbook, signed for the class of bike you are planning to ride.

To ride, all riders must be a member of the Offroad Riding Club of WA (ORCWA). The link for membership is: <http://www.offroadridingwa.com.au/membership>.

Entering the Event

We have two entry links on the website. One is for Competitive riders, and other is for Non-competitive (trail and sprocket classes). To enter the event, follow the link and complete all your details. You will need to provide information about yourself, your bike, and your parents will also need to include their details if you are riding in a Junior class. Remember to have your ORCWA membership details, and MWA licence handy, because you will need to include these numbers.

If you are unsure which class to enter, or are new to the club, contact the Race Secretary or Event Organiser for more details. It is much easier to ask a question first, than to try and change your entry details once you have pressed 'send'.

Competitive classes:

- To ride as a competitive rider you must have completed a Kickstart coaching course in the past, have a log book and be signed off by a coach in your log book to ride the class of bike you are entering in. You may be asked to show your Logbook on the day.
- If you are a senior, ie: Women's and Under 23 classes you do not need a log book.
- You will also need to have an annual Motorcycling Australia competitive licence or have pre-purchased a competitive one event licence from MWA. The link for a one-event licence is: <http://www.motorcyclingwa.org.au/riders/licence/>. The current cost for this is \$75 per event.

Non-Competitive classes:

- To ride as a non-competitive rider you need to have an annual Motorcycling Australia licence or purchase a non-competitive (recreational) one-event licence from MWA. The link for a one-event licence is: <http://www.motorcyclingwa.org.au/riders/licence/>. The current cost of this is \$30 per event.

MA Licences

If your Motorcycling Australia (MA) licence is not current on the date of the event, and you cannot produce your new one, you will need to purchase a One Event Licence. It's a good idea to print a copy of your receipt, so you can show this. Remember, it can sometimes take longer than you expect for your new card to arrive in the post. Some of our events do not have mobile phone reception, so a screen shot on your phone is a great back up!

Purchasing a Motorcycling Australia Licence does not automatically enter you into the event. This is a separate process and you will need to do both to ensure you are able to ride on the day.

Guardianship

If your parents are not bringing you you need to bring a signed guardianship form with you for the adult that is responsible for you on the day. You cannot complete this on the day, because your parents need to sign it before you come. This is important. If anything happens, you need to have a parent or guardian there to look after you. The link is: http://docs.wixstatic.com/ugd/08e050_777c7ee062a74f1bbea07ef628f00c0e.pdf.

Volunteering

Our club is run by a dedicated team of volunteers, and there is always room for more. Whether it's helping out for a few hours on the day, or staying over to help clean up on Sunday, your help is greatly appreciated. See our Volunteer Coordinator to find out what you can do to get more involved.

Keep up to date

Like the club's Facebook page, as regular updates are posted on this. Have a look through the links on the website. There is a lot of great information there, especially if you are new to the sport.

Thanks for reading this information. We hope you enjoy your next event. Remember our club is all about having safe, friendly, fun. If you have any comments, or would like to get more involved, please speak to one of the committee members.
