

## 2021 General Event Entry Information

Specific details for each event can be found on the club website. Click onto the Event Details tab to find out what to expect, what to bring, and where to come. Below are the details you will need to complete your entry and have a smooth registration on the day.

*To ride at an Offroad Riding Club Event you will need;*

- Offroad Riding Club Membership – Annual or One Day
- Registration into the Event
- MWA licence to suit the class you have entered – Annual or One Event

The most important paperwork to bring on the day is:

- Your 2021 ORCWA membership card (or a printed copy of your receipt);
- Your MA Licence card OR a printed copy of your one-event licence;
- Your Logbook, signed for the class of bike you are planning to ride.

### Club Membership

All riders must be a member of the Offroad Riding Club of WA (ORCWA).

The link for membership is: <http://www.offroadridingwa.com.au/membership>. You are welcome to purchase a one day membership for \$40 when entering an event.

### Entering the Event

There are always two entry links on the website;

- Competitive classes,
- Non-competitive classes (trail and sprocket classes).

To enter the event, follow the appropriate link; you will need to provide information about yourself, your bike, and your parents/legal guardian for the junior classes.

If you are unsure which class to enter, or are new to the club, contact the Race Secretary or Event Organiser for more details. It is much easier to ask a question first, than to try and change your entry details once you have pressed 'send'.

### Competitive classes:

*Junior riders* – you must complete a Kickstart Coaching course and be endorsed to ride in the class you wish to enter. You will receive a logbook after your Kickstart Coaching to keep a record of your training and endorsements.

You may be asked to show your Logbook on the day.

*Senior Riders* - you do not need a log book.

• To ride as a competitive rider you will need to have a Motorcycling Australia competitive licence, either annual or one event from MWA. Juniors can purchase this after Kickstart coaching.

- Annual Junior National Licence \$302
- Annual Senior National Licence \$329
- Or a one event competition licence is \$75 available here <http://www.motorcyclingwa.org.au/riders/licence/>

### Non-Competitive classes:

- To ride as a non-competitive rider you need to have
  - an annual Motorcycling Australia Recreational licence (16 & over) \$137 or
  - an annual Motorcycling Australia Mini Licence (4 - 15) \$130 or
  - or a recreational one-event licence from MWA for \$30 available here <http://www.motorcyclingwa.org.au/riders/licence>

If you register for an event and your Motorcycling Australia (MA) licence is not current there is plenty of time for you to purchase an annual licence or one event licence **prior** to the day of the event. If you do this please bring a printed copy to the event.

Purchasing a Motorcycling Australia Licence does not automatically enter you into the event. This is a separate process and you will need to do both to ensure you are able to ride on the day.

### Guardianship

If your parents or legal guardians aren't bringing you to the event; you need to provide a signed guardianship form with you for the adult that is responsible for you on race day. You cannot complete this on the day, because your parents need to sign it before you come.

This is important, you cannot ride without a signed guardianship form if you don't have a parent or legal guardian with you on the day. The link to the guardianship form is [http://docs.wixstatic.com/ugd/08e050\\_777c7ee062a74f1bbea07ef628f00c0e.pdf](http://docs.wixstatic.com/ugd/08e050_777c7ee062a74f1bbea07ef628f00c0e.pdf).
