

CHAMPIONSHIP POINTS 2012

Please note that the Club Championship Final Results needs to be read in conjunction with the Club Champion Pointscore Guidelines.

- As stated in the Guidelines a Rider must have competed in a minimum of four events to be eligible for Championship Points.
- A Class must have had a minimum number of 15 Riders compete by the end of the Season for Riders in that class to be eligible for Overall Club Champion.
- If a Rider is not eligible (does not qualify) for Championship Points, their points from that event will automatically roll down to the next eligible Rider in that class.
- Trail Class (non competitive) does not qualify for Championship Points.
- In the instance of a Tie for a Championship Series, the MA Rule Book states the Rider with the greatest number of higher placings for the Series will be awarded the position. If a Tie still occurs after this the the Rider with the greatest number of higher placings in each Race at each Event over the Series will be awarded the position.

Other	Indicates rider qualifies for championship points but has ridden in a different class
DNQ	Indicates rider does not qualify for championship points (less than 4 events)
Trail	Indicates rider has ridden Trail class and does not qualify for championship points
